JENNY'S MARKET STORES TO RAISE FUNDS FOR KIDS MOBILITY NETWORK

Littleton, Colorado, September 15, 2008 - Kids Mobility Network, Inc. has teamed with Jenny's Market stores for a month-long fundraiser. For the entire month of September, all thirty-five Jenny's Market locations across the front range will be collecting funds on behalf of Kids Mobility Network, a non-profit organization that provides durable medical equipment such as wheelchairs to children with disabilities.

"Kids Mobility Network is so pleased to be working with Jenny's Market stores to raise funds for our organization," stated Christy Kopp, Executive Director of Kids Mobility Network. "The entire Jenny's Market organization is active in this fundraiser. We're very grateful for their generosity."

The fundraiser has two primary elements:

1. Jenny's Market store personnel will invite store patrons to donate directly to Kids Mobility Network by adding a donation to their purchase or by contributing their spare change.
2. The Jenny's Market organization is donating 100% of the sales of all fountain drinks and coffee sold on each Wednesday in September in all thirty-five stores across the front range.

The fundraiser combines donation opportunities for the general public as well as a direct donation of revenues from the Jenny's Market organization. Proceeds from this fundraiser will be used to provide wheelchairs and similar equipment to children across Colorado. "We're very proud to be raising funds for Kids Mobility Network," stated Kami Dadras, Director of Operations for Jenny's Market. "This fundraiser gives us the opportunity to utilize our market presence to create significant community benefit and help some great kids – a very rewarding endeavor. We hope that our customers will join us in helping this wonderful cause."

Jenny's Market and Kids Mobility Network invite everyone to visit their local Jenny's Market to make a donation to help children with disabilities attain the necessary equipment required to maximize their mobility, safety and independence.
